- Training levy 1.5%:
 - Govt. Gazette 5171 of 11 April, 2013: Notice of intention to impose a levy, 30 days period for stakeholders to make submissions – until 10 May.
 - Next Govt. Gazette to announce imposition of Levy: 1st August 2013
 - Levy Implementation: 1st September 2013
 - 1st Levy Payment and levy return form by 20th October 2013

Outstanding Matters

- Tax regime for land based diamond mining : Needs revision to ensure sustainability

- Policy on strategic Minerals: Legislation still pending

Conclusions

- Despite safety challenges, uncertainty in the industry, depressed global economic markets (especially for uranium) and three years of stagnant growth, Namibia's mining industry is in full swing to recovery
- With the commencement of five new operations in Namibia (B2Gold, Husab Uranium, Tschudi, Zhonghe Resources, and Shiyela Iron) in the next two to three years, the benefits to the Namibian economy will be far greater than in previous years. - GROWING THE CAKE!!
